CASH BAR

At no charge to your function, we will make a "cash bar" available to your guests. The guests will be expected to purchase drinks and tip on their own.

TAB BAR

You may choose to "run a tab" and pay by consumption. You can control costs by limiting your tab ahead of time, for example, by only offering beer and wine at your event.

OPEN BAR

If this option is chosen, the host will be paying for alcohol based on the number of all guests of legal drinking age (21 yrs.)

Please ask about all open bar packages.

Our second level, on-premise banquet room seats up to 90 with an adjoining deck, which can seat up to 40. We offer a private bar, audio visual equipment, and restrooms on the same level. Stair access only.
